

Fun for kids

For children there are so many nice things to pass the time. These activities are very varied, girls and boys of all ages don't have to be bored in Uddeholm and surroundings!

Uddeholms Hotell

The family box is special developed for families. The family box is a car tour, a quiz and a challenge in one. At the end you even get a price. The box contains a described tour by car. During this tour the family members have to answer some questions individually. The car tour leads you through the most beautiful parts of the Uddeholm and Hagfors surroundings. Back at the hotel, the whole family has to puzzle to find the special price.

Waterworld

1. Always wanted to be a pirate? Become one at Waterworld's special pirate adventure. Go treasure hunting on a pirate raft, sing special Swedish pirate songs and prepare your own sausages on a campfire.

2. Learn how to survive in Sweden's wilderness at the kids survival at Waterworks. Your guide will explain how to find and prepare food and drinks. During the walk you get to know the beautiful nature with its wildlife, plants and trees. After this adventure you will be a real

Rådastrands camping

Raft building at the Rådasjön. On the beach of Rådastrands camping you can make your dream come true. After building your raft you can try it out on the lake. Did you know that the beach is a very nice swimming place!

Gränslöst Uteliv Sverige

1. You start the day with a rope course. At the end of the course you descend at an exciting 30 kph. We ensure that you make a safe landing. Make your own campfire and you can grill sausages! We will teach you the basic knowledge of handling a compass and how to orientate yourself.
2. A canyon tour for the whole family. You will start with abseiling an old bridge. You will climb through rocks and even a waterfall by using the tyroleantraverse technique. At the end of this tour a surprise is waiting.

Taiga Trails

Nature experience for kids. You will learn a lot about the animals and how to identify different types of tracks. At the end there will be a wilderness meal prepared at the campfire.

Alevi camping

1. At least once a week we arrange a children's day, filled with games and activities for children up till 12 years!
2. The GPS- puzzletour. The children will learn how to use a GPS and how to use it during the puzzletour.

Husky farm

In the evening, when the sky shows overwhelming colours many mystical things happen in the large and deep forests. During twilight, trolls and elves awake and come out into the summer nights. After a nice meal prepared on a campfire your guide takes you into the deep forests and tells the thrilling legend of trolls and elves in Värmland.

Lewa i Vildmarken

Nature-experience, looking for trails, how to handle a map and compass, information about the predators and the moose and many more! This is what you will learn at our Wilderness School. The day ends with a barbecue at the campfire.
