

GPS

A Global Positioning System (GPS) tour at the 60th degree of latitude is a great experience! Several companies offer such tours. You can go by car or by foot. A combination with a thrilling survival course is possible.

Rådastrands Camping

Twice a week you can join a special GPS tour in the magnificent nature around the camping. You start with easy missions, gradually they become more difficult. In the end they will lead you to a very nice surprise.

Waterworld

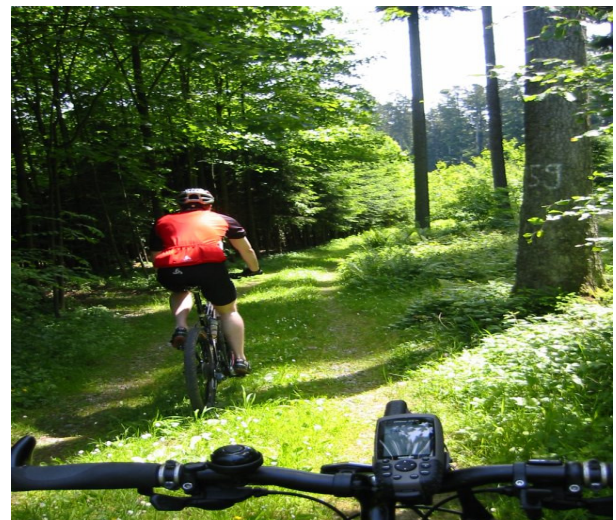

Waterworld developed a complete survival tour with the GPS. You have to climb rocks and you need a boat to discover one of the coordinates. You will experience the wonderful nature in a totally different way!

Alevi camping

GPS tour for children of 12 years and older. Includes guide and something to drink.

Uddeholms Hotell

Check out the hiking, bicycle and canoe and car/motor tours on www.tsm.com.
