

Horseback riding

Riding through forests and along lakes beats everything! Join a horse riding trip at Lakenegård.

Lakenegård:

1. To less experienced riders two and four hours guided rides are offered. Both trips lead you over narrow forest paths and along beautiful lakes. You'll have a break at a wonderful viewpoint on top of a mountain.
2. When you are experienced, you can rent a horse and explore the surroundings by yourself!
3. Enjoy the countryside and forests while relaxing in a cart behind a horse. Also possible as horse and sledge tour in winter times.

Sundance Ranch

You can come to the Sundance ranch for horseback riding lessons or outriding trails in western style on our western horses.
