

Safari

Hoping to see elks, beavers, wolves and deer during your Scandinavian holiday? Try a safari!

Huskyfarm

A guide will take you by car into the wilderness, searching for tracks from elks and other wild animals. You might suddenly stand eye-to-eye with them!

Erlebnis profis

1. Watching moose in their natural area is one of the most exciting experiences a trip to Sweden can offer. Erlebnis Profis know their favourite places and will show you them from the land rover.
2. Also in times of extensive forestry is still untouched wood left. Beside of the ways you will experience very special views in the real nature!

Waterworld

You float down the river with a guide. He will tell you a lot about the surroundings and the beavers. Around every corner awaits a new adventure. Floating down you'll enjoy a magnificent view of the riverbanks, big rocks and wonderful birds. You get very close to beaver settlements. You can see how wonderful efficient they are constructed!

Lewa

1. This safari goes by car into the deep forests, swamps and many lakes. The guide tells a lot about the surroundings and the wildlife. You will be looking for elks, beavers, deer and other wild animals. All at once you might see them!
2. The tour goes through forests to a mountain where we can enjoy a beautiful view. We go through areas where both mooses and predators live. You also learn a lot about the nature of Värmland and its animals.
3. This safari goes by quad through deep forests, swamps and beautiful lakes. Half way, you can enjoy a real wilderness meal!

Gränslöst Uteliv Sverige:

You will be taken to quiet and secluded spots. There, you will have a very good chance to meet the wildlife. With a bit of luck, you have the opportunity to take a photo of an elk. During the evening, you travel by 4 x 4 vehicle and by foot to some favorite observation posts.

Just in case Elkventure

You will follow the tracks of wildlife and of course search for elk. But this tour will also focus on the countless number of smaller, beautiful surprises nature has in store for you! Experience the magic of the woods, learn to know the true meaning of nature for the animals and for the people in this area in the past but also at the present time.

Värmland adventures

V.A. offers you an unique experience with a quad through beautiful forests, along lakes and creeks. Learn to drive off road. After a short instruction you can enjoy freedom by quad!
