

Winter activities

Beautiful snow covered landscapes offer lots of special activities, organized by several companies.

Huskyfarm

1. A thrilling 20 minutes guided husky sleigh-tour over a big snow-covered frozen lake. Experience the unbelievable energy of these beautiful dogs.
2. What about a walk on snowshoes through the forests of Sunnemo? Lots of fun walking effortlessly on top of thick layers of snow!

Lewa i Vildmarken

1. Ice fishing is a very popular activity in Sweden. Your guide takes you to a frozen lake, where you drill a hole in the ice and experience the joy of catching a meal of the abundant variety of fish.
2. A real challenging and exciting day in the snow. Including quad driving, kick-sledging and Wilderness Olympic Games, ending with a wonderful hot meal from the campfire.

Uddeholms Hotell

Rent some cross-country skis at the reception and find your way in the woods or follow the tracks in Vågbacken, Värmullsåsen or in Råda. An other possibility is to drive to the ski resorts of Branas, Hovfjället, Säfsen or Långberget. All within one hour drive from the hotel!

Erlebnis profis

1. There is nothing more beautiful than a skiing trip through our sunny and snowy countryside. We invite you to a trip beyond your dreams, on real course or in nature.
2. You don't need to learn how to go with snowshoes. Already after a few steps you can walk without problems. On the route of your choice, beside the paths and courses.
3. We offer you an easy to normal walk through the winterly woods. We will led you to beautiful places with a wonderful view over the Klarälvdalen!
4. Fishing in winter? Yes, enjoy ice fishing on one of the many lakes in the area. Everything you need is special equipment and somebody who knows where to go.
